## PROFILE

Results-driven Packaged App Development Associate with proven experience at Accenture in software testing, particularly in the HAPO TORT/TORTPORTAL project. Skilled in test case design, integration testing, and Agile collaboration. Now actively transitioning into data analytics, with a growing proficiency in Power BI and data management tools. Strong analytical mindset, attention to detail, and a passion for turning data into actionable insights to support business decision-making.

## WORK EXPERIENCE

2024 - 2025

### Accenture

Project: HAPO TORT / TORTPORTAL

- Conducted end-to-end functional, integration, and regression testing; designed and executed test cases based on business requirements.
- Logged and tracked defects using JIRA, collaborating with developers and stakeholders for timely resolution and quality assurance.
- Actively participated in Agile ceremonies and contributed to test documentation, knowledge sharing, and process improvements.

## CERTIFICATIONS

- Data Science with Python, 04/18/23
- Data Analytics, 10/16/22
- Advanced Excel, 03/01/23
- Statistics For Business, 04/06/2024

- Digital Marketing Tools, 09/21/22
- Business Communication, 11/01/22
- SEO Foundations, 09/21/22
- Psychology Course, 10/01/22

## INTERSHIPS & PROJECTS

- **Data Analyst Intern at Unified Mentor:** Worked on data analysis using Python, Excel, Power BI, and Tableau to build dashboards, visualize trends, and generate business insights.
- **Accounting Intern at Amirtha Institute of Hotel Management, Coimbatore:** Assisted with expense tracking and reconciliations, learning how accounting data supports business decision-making through statistical evaluation.
- **IBM HR Analytics – Employee Attrition & Performance:** Conducted data analysis using Python, ML algorithms, SQL, Power BI and Excel to identify patterns in employee attrition and performance, visualizing insights to drive operational improvements.
- **Streamlining Tailoring Business Operations:** Developed a customized data entry application using Visual Studio 2022 and Excel to enhance operational efficiency and minimize manual errors in a tailoring business.

## DECLARATION

I hereby declare that the information provided above is true and correct to the best of my knowledge and belief. I am responsible for the authenticity of the details mentioned in this resume.
